

Library needs  
file update

The libraries of the Elba City School System are trying to update community resource files. The file is a list of people who are willing to share their knowledge, experiences, travels, or handicrafts with various classes. Anyone interested in participating should call Mrs. Margaret Calhoun at 897-2266 between the hours of 9 a.m. and 3 p.m.

Jr. Academy  
selling fire  
extinguishers

Supporting the Jr. Academy of Science can also mean saving a life. Beginning October 26 the Jr. Academy of Science will be selling automobile fire extinguishers. Money from these sales will be used to purchase materials for science projects. Each extinguisher costs five dollars—a small price to pay for safety.

## Basic parenting suggested

There's some encouraging news for the majority of American parents who want to know if there is any possible way to raise responsible, loving children in an anti-parent, anti-family, youth-bewildered culture.

The answer is a definitive "yes." One part of the solution involves back-to-basics parenting and the right of parents to teach ethics, morals and manners. This is discussed in a newly released book on parenting, titled "The Coming Parent Revolution: An Action Plan for Strengthening the Family" (Rand McNally \$12.95). In her book, author Jeanne Westin, describes ways to build a family that is warm, strong, moral, mutually supportive and capable of surviving the troubled 1980s.

To research her book, author Westin went to the real child-rearing experts: parents. She gathered, parents into "talkshop" sessions to discover what most distressed them and what might be done about their grievances.

EHS Black &  
Gold ReviewNew members inducted  
into Mu Alpha Theta

By CANDY BERRY  
Historian

On October 15, 11 new members participated in a candlelight ceremony as they were initiated into the Elba High School chapter of Mu Alpha Theta, an international honorary mathematics club.

Senior Mu Alpha Theta members, Steve Cowart, Candy Berry, Mark Bowers, Fleming Kendrick, and Stanley Moore briefly instructed the following new members in the history, growth, powers, and the future of mathematics before they lit the candles—Tonya Bryan, Connie Clay, Michele Cox, Brad English, Erwin Gungles, Greg Henderson, Angela Holt, David Nelson, Phillip Smith, Don White, and Kim Whitman.

All the new initiates were presented with membership certificates by the club sponsor, Sue Adkinson. Afterwards, the members were given refreshments by the program committee.

Mu Alpha Theta was founded in 1967 at the University of Oklahoma and has grown to more than 2,000 clubs in 46 states and Canada, Japan, Puerto Rico, the Canal Zone, Iceland, Turkey, Brazil, and Okinawa.

The club is co-sponsored by the Mathematical Association of America (MAA) and the National Council of Teachers of Mathematics (NCTM) and has attracted the attention of top mathematics scholars in this country and abroad.

MU ALPHA THETA INITIATES—Newly installed active members of Mu Alpha Theta are (left to right): Tonya Bryan, Brad English, Erwin Gungles, Greg Henderson, David Nelson, Phillip Smith, and Don White.

JUNIOR HIGH CHEERLEADERS, from top to bottom are, Danon Lowery, Stephanie Crittendon, and Dana Phillips.

VICA Club  
Spotlight

Morris Davis, VICA member of the week, has been involved in the VICA program for three years. At this time he is working at the Piggly Wiggly where he has been employed for the past four months.

At Elba High School Morris has been a welding student for the past three years, and won first place in his first-year welding contest. Outside of school, hunting and fishing are two of his main interests.

Morris feels the VICA program helped him find a job and continues to help him on the job.

## Seniors of the Week

**KAREN JONES**  
Newcomer Karen Jones recently entered the 12th grade at Elba High School. She previously attended Freepert High School in New York City until she transferred in August. Karen enjoys dancing, singing, hairstyling, skating, and meeting new people. After graduation, Karen plans to attend Community College in New York.

**SONYA ASKEW**  
Sonya Patricia Askew stays very busy as a member of the Future Homemakers of America and the Marching Tiger Band. She also enjoys dancing, skating, singing, hairstyling, and meeting new people. After graduation, Karen plans to attend Community College in New York.

**MIKE AMISON**  
In his final year at Elba, Mike Amison is the quarter-back of the football team, a member of Beta Club, Mu Alpha Theta, and the E-Club. Mike's interests include fishing, hunting, and playing football. He plans a career in broadcast communications. His parents are Mr. and Mrs. Kenneth Amison.

## Halloween Festivities Planned

By LAURIE DOSTER

The teachers and P.T.O. members are working to get all the booths and concessions set up, while the students are selling candies on different items and candy to help their classes.

Tisha Woods, Christopher Hobbie, and Christie Hodgins, from kindergarten; Danny Owens and Misty Flowers, first grade; Eric Cole, second grade; Bonnie Simmons, third grade; Steven Cole, fourth grade; Shannon Morris and Barbara Simmons, fifth grade; and

Shelia Adair, sixth grade.

The teachers and P.T.O. members are working to get all the booths and concessions set up, while the students are selling candies on different items and candy to help their classes.

The Halloween Carnival will be held Thursday, Oct. 29, at the high school, beginning at 6:00 p.m. There will be many things to keep everyone at the carnival entertained. For the younger ones there will be a bean bag toss, ball throw, fish pond, dart board, a make-up room

where the kids can get their faces painted, a horror house, a hay ride and a fortune teller. For the ones who have to wait around for the children, there will be a cake walk, a bingo game, a country store, and in the gym there will be a talent show.

At 8:00 the king and queen will be announced in the gym.

During the carnival there will be a chili supper in the lunchroom. Plates can be purchased for \$2.50. Tickets can be bought in advance or at the carnival.

Halloween king and queen contestants, front row (left to right) Chris Hodge, Tisha Woods, Christopher Hobbie, Christie Hodgins, Danny Owens, Misty Flowers, back row, left to right, Eric Cole, Bonnie Simmons, Steven Cole, Shannon Morris, Barbara Simmons, and Shelia Adair.

Bicycle Rodeo Slated  
For Chitlin Jamboree

Gov. George Wallace, will precede the bicycle rodeo.

Cpl. Jack Weekley of the Alabama Department of Public Safety will demonstrate proper bicycle riding and safety techniques before the competition begins.

Six judges will pick 15 youngsters from each of the three age groups, 5-8 years old, 9-12 years old, and 13 and older, that show proper hand signals, safety procedures and complete the course satisfactorily.

A first prize of \$5 and a T-shirt will be awarded to winners in each age group. Second and third prizes will also be awarded. Each rodeo competitor will receive a bicycle driver's license, coloring book and a Jr. Trooper card, just for bringing his or her bike.

**Pre-Register At ESJC Nov. 2-4**

Pre-registration for winter quarter at Enterprise State Junior College is scheduled November 2-4.

Students in day classes meet with their advisor November 2 from 10:30-12:30 a.m. to complete scheduling. Registration for night students is from 7:30-8 p.m. on November 2 and from 7:30-9 p.m. on November 3.

Students currently enrolled and others who complete pre-registration by 8 a.m. on November 10 will be permitted to pre-pay tuition and thereby not attend registration on December 1.

Copies of winter quarter schedules are available upon request. Anyone needing information on registration can contact the dean of admissions or call 347-2023.

Membership in the orchestra is by audition.

## NSPE Grants and Scholarships

By ROBBIN DAY  
The National Society of Professional Engineers

(NSPE) is offering grants and scholarships to high school seniors interested in engineering careers. William K. Key, assistant dean of engineering at The University of Alabama announced last week.

Key, who heads the scholarship effort of NSPE's Tuscaloosa chapter, said students will be selected for the awards on the basis of academic standing; participation in extra-curricular activities; evidence of leadership, character and self-reliance; commendations of teachers and administrators; and financial need. NSPE scholarships are provided with the cooperation of 15 leading companies and educational institutions. Recipients will receive awards of \$1,000 to \$4,000 with some full scholarships.

To be eligible for the

awards, a student must be a high school senior ranking in the top quarter of his or her graduating class, must plan to enroll in a college or university with an engineering curriculum approved by the Accreditation Board of Engineering and Technology, and be a U.S. citizen, or plan to become one.

Zion Chapel students interested in applications should see Mrs. Melinda Sanders. Applications should be in to the chapter by November 10. Winners will be selected March 3, 1982.

**Home Ec II Students Make Crepes**

By LISA TAYLOR

Crepes are a thin pancake-like wrapper filled with meat, vegetables, or fruit. They can be prepared as a main dish or as dessert.

Recently the Home Economics II class experimented with crepe making. The students prepared broccolini and chicken. The dessert was blueberry and apple fillings.

When the crepes were ready, the faculty was invited to a tasting session.

**Band Joins Homecoming Festivities**

By DENISE LOTT

The Coffee County school system has recently been evaluated and approved for accreditation by the Southern Association of Accreditation. What does this mean for the school system? It simply means Coffee County is being recognized for its educational system.

The Approval Committee will meet December 7 for official approval for accreditation of the Coffee County school system.

**ESJC Tenure Awards**

Ten and fifteen year service awards were presented to faculty, staff and administrators by Dr. Joseph D. Talmadge, president, Enterprise State Junior College, last week.

At the presentation, Dr. Talmadge said the average tenure of the group is ten years. He also noted that 26 percent of the faculty have earned doctorates and 56 percent have a master's plus 30 or 60 additional hours on a doctorate.

"These figures," Dr. Talmadge said, "indicate stability and dedication of well-qualified personnel who are the foundation on which quality education has been built at ESJC."

Receiving a 15-year award from this area was Mrs. Nancy Brunson, biology instructor, and receiving a 10-year award from this area was Frank J. Clark, guidance counselor.

Mrs. DuBose's and Mrs. Wilson's fifth grade girls met for their first 4-H meeting Tuesday, Oct. 5. The following officers were elected:

president - Kim McBride; vice-president - Holly Wilson; secretary - Lucinda Byrd; reporter - Amy Fuller; devotion leader - Jeannie Clark; and song leader - Lynn Farris and Dawn Nolin.

A discussion on 4-H projects was led by Mrs. Hughes, County 4-H Leader. Meetings will be held on the second Tuesday of every month.

## Seniors Remembered

By ALISON MADDOX

Many graduates from the Class of '81 have already found a place in business. Terry Brunson works with the Coffee County school system. He helped put together the elementary playground equipment and built the preschool on the football field.

Kenny Campbell works for Hardee's in Elba. Mike Carnley and Blair Hurd work for Cash Trailers in Troy.

Evelyn Culver works for Pasquale's pizza restaurant in Elba.

William Davis and Mark Sanders each work on their fathers' farms.

Mary Jo Davis is a homemaker and is married to Leslie Hussey.

Larry McWaters is married to Sheila Shepherd. He is a federal peanut inspector, and served in the Navy and the Army Reserve.

Fred Liptrot works with Carter's Manufacturing Co. in Brundridge.

## New Uniforms

By DONNA FOLEY and JUDY HELMS

The Zion Chapel varsity cheerleaders have been working hard since school began, and it looks like all the hard work has finally paid off.

For the up-coming basketball season the cheerleaders have carefully chosen new uniforms. They ordered white short-sleeved sweaters from the Young Cheerleader Co. The sweaters have five stripes that extend from one shoulder across the front of the sweater to the other shoulder. One arm there will be chevrons which will indicate the number of years as a varsity cheerleader. On the other arm will be the year the cheerleader will graduate.

The skirts will be made by Mrs. Betty Foley. They will be white with sixteen pleats, class trophies, best drum major and best color guard. Each band that participated in the contest was judged on marching and maneuvering, general effect, music, and color guard. The ratings were 1-superior, 2-excellent, 3-good, and 4-fair. Each section of the band received a separate rating: drum major -- 1; color guard -- 1; and overall band -- 1.

Along with the individual scores for each band, other awards were given, such as sweaters trophies, best in class trophies, best drum major and best color guard. Out of 21 bands with color guards, the Zion Chapel color guard received fourth overall.

Basketball  
Players Are Optimistic

By JEFF SENN

As the 1981-82 basketball season draws closer, the Zion Chapel Rebels are very enthusiastic, and hope to put together a winning season. The past two years were very frustrating for the team, which only won one of their 40 games.

The Rebels are expected to have a very strong, physical team this year. They will return three starters from last year's team.

All of the players are very optimistic about the coming season, and are looking forward to their opening game against Long High.

Beta Club  
Initiates New Members

Each year the Beta Club initiates new members into their club by having each student dress in an appropriate costume.

The older Betas decide what each new member should wear by considering some aspect of their personality. For instance, Sherri Crittendon was a part of chewing gum, and Beverly Ellison was a sunflower. Other new members were Mike Chirico (a coffee mug), Lesia Flowers (an ice cream cone), Kim Smith (a trash can), Sharon Mobley (a pencil), Deddie Fuller (a radio), Robert Routzong (a light bulb), David Pyrom (an encyclopedia), Mark Story (a football), and Ann Sawyer (a pencil).

This year the students chosen had to wear their costumes to an assembly, where they took the oath of Beta Club members. Deddie Fuller was given an award for having the best costume.

## Editors for Yearbook

By KIMLEN DYESS

The Journalism students have chosen the student editors for the yearbook. Each section has one experienced senior editor and one responsible to the organization. The editors are Judy Helms and Alison Maddox; and sports editors are Jeff Senn, Kevin Flowers, and Donna Foley.

Before  
you buy that Homeowner policy  
with the "New Home Discount,"

talk to your Cotton States agent, and compare his Homeowner plan to the one you're considering.

Whether your home is brand new or several years old, your Cotton States agent is committed to providing the most complete and the most affordable Homeowner protection for you.

And he might have the answer to some questions that could make a big difference in your premium rate. For example:

- Yes, we do give discounts for safety installations like burglar and fire alarms.
- We offer liberal credits for higher deductibles. Your credit is figured on a straight percentage, without a maximum amount of discount.
- With a Cotton States policy everyone—not just owners of new homes—has the advantages of our low, competitive rates.
- Cotton States does not automatically raise your rates to "guard against inflation." We offer you the opportunity to decide when and how much you want to increase your insurance coverage.

Don't settle for the policy that sounds the least expensive. You deserve more than that for your money.

You deserve answers.

The GA Day Camp was held at Westside Baptist Church on September 26. Sixty girls enjoyed the day of fun, fellowship, inspiration and information. Thanks to Westside for allowing the day camp to meet in their recreation building. Thanks also to Linda Westbrook and her committee, Betty Davis, Lou Meredith, Barbara Hudson, Betty Walls, and Wayne White for planning and conducting the day camp.

## PASTOR'S CORNER

By DAVID RICHBURG  
WHITEWATER BAPTIST

I have shared with you this month some facts about a mission trip that 10 Coffee Countians took to New York State. May I share one more observation?

I saw two similarities in the people there and locally. There were many there as here who were hungry to hear the Word of God from those who would present it with love. I also found the people who were a part of the church there as here to be very friendly and hospitable. I must admit there were a few who refused the Word with hostility, but they were a minute minority.

It seems clear that wherever you go people are searching for a truth that can meet their needs. We who know Jesus as Lord and Savior must not fail to share Him who meets our needs with others who are desperately searching.

If we had a cure for cancer we would share it with the whole world. The fact is we who know Jesus have something to share even

greater than a cure for a physical disease.

There is a universal truth that needs to ring around the world - and that is that Jesus and salvation is the only solution to our world problems and differences.

Acts 4:32 - "And the multitude of those that believed were of one heart and of one soul; neither said any of them that any of the things which he possessed was his own, but they had all things common."

This scripture goes on to say that there wasn't any among them who went lacking. They saw that every man's needs were met. We don't need larger armies, weapons, or nuclear power. What we need in common worldwide is Jesus! He can bring us together in a working relationship with the people of New York State, China, Russia, Israel, Egypt and all other nations and kingdoms. If everyone would only recognize Him as King of Kings and Lord of Lords of their lives.

## Wheel Chair Ramp Built At First Baptist For Handicapped

A wheelchair ramp recently played an important part in Dan and Carol Johnson's decision to join the First Baptist Church of Elba. Dan, who was born and raised in Opp, became disabled at the age of 20 through a construction accident. He has been with National Security Fire and Casualty Insurance Company in Elba for eleven and one-half years as assistant vice president in charge of claims. He is presently the president of the Wiregrass Area United Cerebral Palsy and serves on the State Board of Directors for the United Cerebral Palsy of Alabama.

When it was learned that the Johnsons were considering attending the First Baptist Church, the church constructed a ramp at the front entrance so that the building would be accessible to the disabled.

The Johnsons stated that the ramp played a significant part in their decision to attend and then to join the church. They did not want to join a church where Dan would have to be helped in and out of the building. They indicated that when they drove by and saw the ramp, they viewed it not merely as a wheelchair ramp, but as a welcome mat; and, they considered it to have special significance since it was the front door of the church. Since joining the church, Dan and Carol have become very active in the programs of the church. They have begun teaching the Young Adult Singles Sunday School class, and leading an adult Church Training session on current issues as they are interpreted in light of the Bible.

Kevin G. Lanier, minister of music, youth, and activities at Elba First Baptist Church, welcomes Dan and Carol Johnson to the church. The wheelchair ramp played an important part in the Johnsons' decision to join the First Baptist Church.

Everyone is invited to attend.

The fifth Saturday night singing will be held at Elba Church of God Saturday, Oct. 31, beginning at 7:00 p.m. Singers will be the Christ Travelers Trio of Eufrata and the Shining Lights of Samson.

**WMU meeting scheduled**  
The District 5 Woman's Missionary Union (WMU) annual meeting is set for Thursday, Nov. 5, at the First Baptist Church in Enterprise, AL.

Before his appointment as a missionary in April 1985, Hale was pastor of the Harmony Baptist Church, Piquette, Mississippi. His missionary assignments include language study, Selamania, Spain, 1965-66; general evangelism, La Coruna, Spain, 1966-70; and pioneer mission work in Vigo, Spain, his current assignment.

Hale was born in Carrollton, Georgia, and grew up in Opelika, Alabama. He received the associate of arts degree from Clark Memorial College, Newton, Mississippi; the bachelor of arts degree from Howard College (now Samford University), Birmingham; and masters of divinity degree from New Orleans Baptist Theological Seminary.

Hale was married to the former Judith Greene of Sheffield, Alabama. They have three children: Janet, Lisa, and Kristy.

Pastors, Baptist Women, and Baptist Young Women officers and members, and leaders of Aetecens, Girls in Action, and Mission Friends are encouraged to attend. Lunch will be served, and a nursery will be provided.

The first numbering of houses was introduced on the Pont Notre Dame, Paris, in 1463.

The 1981 Halloween Carnival will be held tonight (Thursday), October 29, from 5:30 until 8:00 p.m. at the Elba Middle School. Events include fire truck, hay ride, car wash, scramble for suet, cake walk, cup cake walk and many more. Tickets will be 50 cents for each event and will be sold at the front entrance of the school.

A talent show will be presented after 8:00 p.m. featuring local talent, at the elementary cafeteria. This show will begin at 8:00, and admission will be \$1.00 for adults and 50 cents for students.

## \$200,000 RECREATION PROJECT APPROVED

### Construction To Begin In January

The announcement last week by Congressman William Dickinson that the U.S. Department of the Interior had awarded \$100,000 to the City of Elba for the Hawkins-Williams Recreation Park means that construction will start soon on phase I of a much-needed recreation complex.

The initial phase of the development will include acquisition of 38 acres of land, along with lighting, fencing, utilities, irrigation, bleachers and scoreboards for three softball fields. The \$100,000 grant will be added to an additional \$100,000 appropriation from the city, bringing the total cost of the initial project to \$200,000.

The recreation park is to be built on a 39-acre tract of land (a one-acre parcel was donated to the city located off Highway 125 North, only two miles from downtown Elba).

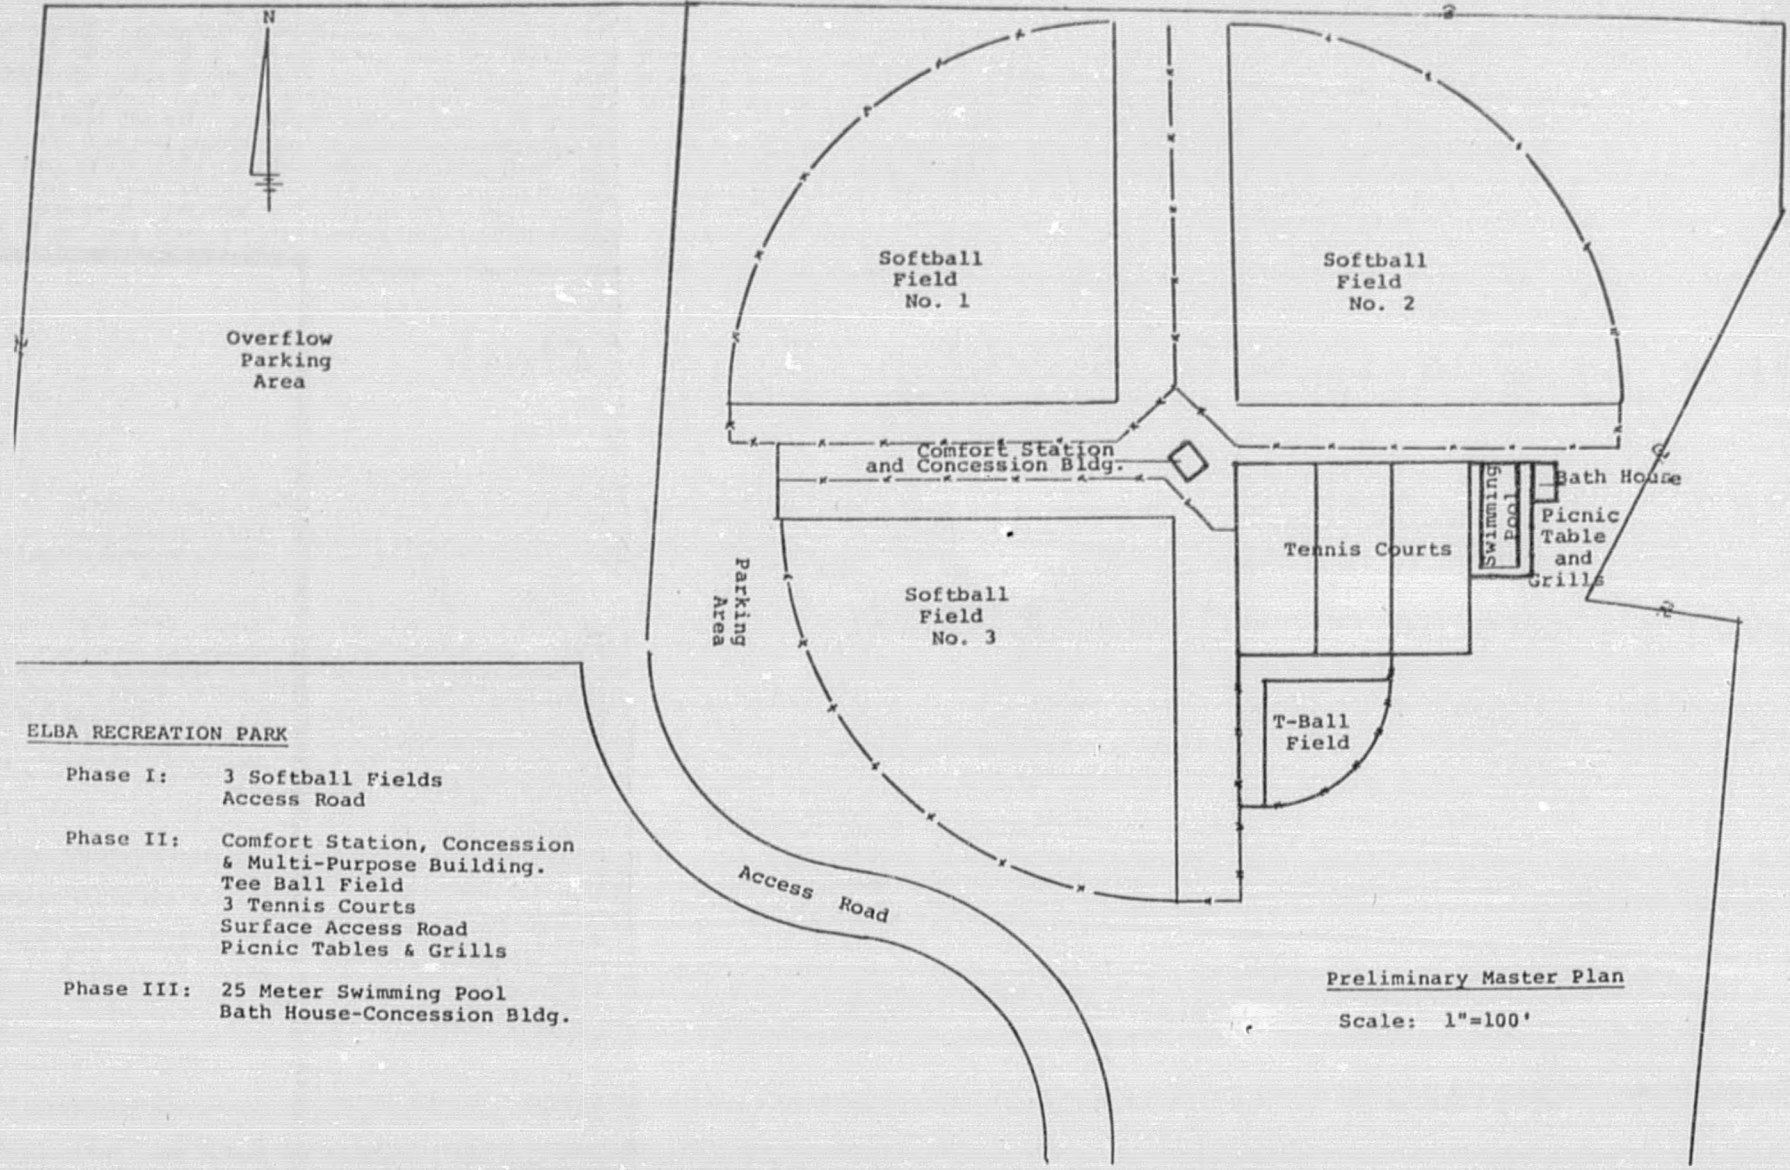

The second phase, which will include a comfort station, concession stand and multi-purpose building, tee ball field, three tennis courts, picnic tables and grills, is also dependent on federal funds, and is awaiting congressional approval. The final word should come within 60 days on funds to be made available for grants during the current fiscal year.

Phase 3, which will include a 25-meter pool, a bath house and a concession area, will be considered in the 1982-83 fiscal year and too will rely on federal funding.

A cost breakdown on Phase One reveals the purchase of 38 acres of land at \$1,050 per acre for a total of \$40,000 and appraisal reviews, engineering and construction fees project administrative costs and state administrative costs and state administrative fees totaling \$20,000.

On the construction of the three softball fields, expenditures are listed as: site preparation and grading - \$10,000; irrigation, drainage and utilities - \$10,000; lighting - \$65,000; fencing - \$30,000; bleachers - \$10,000; and scoreboards - \$6,000. When a \$9,000 cost is added for upgrading a road leading to the park and adding base material, the total cost of Phase One is estimated to be \$200,000.

Recreation Director Dennis Smith reported engineering work and designs are now being completed, with the following steps to be awarded of contracts. Actual work is scheduled to begin in January, 1982.

### THE PRESSBOX

By Ricky Mularz

If you've been to an Elba Tiger football game this year, I'm sure you have heard Earl McCollough shouting "Let's go let's go defense!" Well, the defense got going last Friday night in Evergreen and recorded a 21-0 shutout over a pretty good team. The Tiger defense bent on several occasions, but simply refused to break and came up, big play after big play, to keep Evergreen out of the endzone. The Aggies moved to the Elba 5, 22, 39, 26 and 37-yard lines during the game, only to be stopped each time by the gummy Tiger defense. Our defense may not be the best in the world, but they will get after you and give it all they've got on every play. That's all you can ask!

It was a long way down to Evergreen (I don't care what Coach Wood said), and it could have been an even longer trip back if Elba had lost the game; but the players got fired up early in the second quarter and showed as much enthusiasm as they have all season. The offensive line blocked well, our backs ran hard, and once they adjusted to Evergreen's trying to strip the ball on every play, they moved the ball in on two long drives. The offense played well, but the stars of the game were on defense. The defense stopped Evergreen four straight plays on a goal-line stand, and set up all three touchdowns with big plays. A fumble recovery, an interception and a big play on fourth down gave the offense the spark it needed, and led to three scores. Not bad for a defense that has been pushed around for most of the season. I guess you'd call it a "gutcheck!"

I haven't been singling out any players in recent weeks, but this week I have to praise the efforts of Hal Brunson and Ken Owens. Hal, a senior linebacker, made 13 tackles and two assists, a season high, and made several bone-crunching stops. Owens, a senior tackle, made four tackles and three assists, with all four tackles being on quarterback sacks for losses totaling 18 yards. Ken also deflected a field-goal to stop a serious scoring threat. Both these players turned in "outstanding" jobs and deserve at least a pat on the back.

A quick trip around the county revealed a lot of unhappy faces in Enterprise and Kinston, while over in New Brockton everything was rosy. Enterprise saw its dominance in Region 3 come to a halt when it lost to Northview 17-6 in Dothan. The Wildcats were picked in most circles to win the 4A crown, but now they face an uphill struggle just to get in the playoffs. The Cats may be down, but I can't believe they're out, and I think they'll bounce back like true champions!

Kinston was hunting for a win up in Louisville, only to see the bottom fall out late in the game as they lost 28-0. The Bulldogs are now 1-7 for the season with a pair of tough games left. What's the old saying? "If it weren't for bad luck I'd have no luck at all!"

New Brockton nosed back above the .500 mark with a solid 22-0 romp over Straughn. The Gamecocks have had to overcome adversity all season long, but are now back on track and closing in on a winning season. Quite a feat for Coach Boutwell and his crew.

Zion Chapel had the week off, giving the Rebels a much-needed rest, but they swing back into action this week, and will run head-first into a spirited Samson team. It could be another long trip home.

The 1981 high school season is now in the home stretch, and all the teams are reaching for a little bit extra. Here is a quick look at action around the area last week:

\*\*\*Andalusia tuned up for this week's battle with Elba by

dumping Brundidge 28-8. Brundidge only dressed out 15 players and lost two during the game to injuries, but still gave Andalusia all it wanted.

\*\*\*Troy had its hands full before pulling away to drop Geneva 16-0. It looks like the Trojans' wishbone is having a hard time rolling up points.

\*\*\*Florida put the finishing touches on a dismal season by losing to Hartford 3-0 in a battle of 2A have-nots. The Wildcats have to be ready to get the season over with.

\*\*\*Oak pulled off something of an upset by blanking Opelika 24-0. The Eagles have now beaten two 4A schools and own a 4-4 record -- a year to remember!

\*\*\*Opp continued to roll along by blasting T.R. Miller 35-7. The Bobcats seem to be cruising, just waiting for next week's clash with Andalusia.

\*\*\*Dale County claimed its second win by edging Ashford 13-9 in a big upset. The Warriors have only two games left as a 3A school, and I betcha they are counting the day.

\*\*\*And, finally, Eufula flexed its muscle by coasting past Chavala 35-0. Eufula has a showdown with Smith's Station coming up next week, and all the marbles will be up for grabs.

The Alabama High School Athletic Association released its Area alignments for 1982-84 last week and there were some interesting changes. In Class 2A, Area 4 is now one of the strongest areas in the state with eight powerful teams! The area already included Cottonwood, Headland, Rehobeth, Slocomb, Houston County and Hartford, and now adds to that list former 3A teams Geneva and Dale County. Yessir, it's going to be very interesting over in Area 4.

Up in Area 7, the basketball scene will take on a new look with the addition of 1A power, Holy Family. The Tornados are mighty tough, in any class!

In the 3A ranks, Area 2 got a whole lot tougher in a hurry with the addition of 4A Atmore. Atmore is 7-2 this season and fighting for a spot in the 4A playoffs, and they should provide more than a little competition for Area 2 champ Greenville. In our area, Area 3, we lost Geneva and Dale County, but added Brundidge. That change could leave some holes in our '82 schedule!

A major surprise to me came up in Area 7, where Tuskegee moved in with Stanhope Elmore, Wetumpka and Elmore County. I thought they would move into Area 4 with Eufula, creating a natural rivalry due to the closeness of the schools, but instead they moved into an area across the state.

While in Florida a couple of weeks ago, I read about a rather unusual play that took place in a high school football game. Century was forced to punt, but the snap sailed over the punter's head and he picked it up way behind the line of scrimmage. After running around, he punted the ball on the run, and it went into the arms of a teammate, who was still behind the line of scrimmage. The alert Century player caught the punt and ran 75 yards for a touchdown while all the other players stood and looked at the ref. The referee ruled that since the punt didn't cross the line of scrimmage, Century could advance the ball, and the touchdown counted. By the way, Century won the game.

The AHSA released its yearly financial statement last week and it showed a nice profit. The state organization, one of the tops in the nation, was in the black by over \$40,000, proving again what a good job Bubba Scott and his staff do. Some income included \$78,972.60 from the state basketball tourney, \$34,892.01 from the area basketball tourneys, and \$117,479.60 from the football playoffs.

Also in last week's bulletin from the AHSA was a listing of some state football records, including - total offense - 840 yards by Eufaula in 1974 vs. Haynesville; most consecutive shutouts - 13 by Lanier; and most points - 125 by Langdale in 1925 vs. Chambers County. The most fumbles in a game was 12, but I know Elba has beat that and I'm looking it up now. Hey, a record is a record!

A couple of weeks ago I accused an unhappy parent of calling me up after the Troy-Elba game and making a smart remark about my prediction. Well, I owe all you parents an apology! It seems a group of Elba football players were

having a party at a cabin and decided to call me up in the middle of the night and tell me how much they appreciated my prediction. I know who was at the party and who made the call, but I won't call any names and will just let it die a slow death. However, I will say I didn't appreciate it and hope it won't happen again!

The World Series will probably be over by the time you read this, but I'll write it anyway. I hate the Dodgers and am a Yankee fan, but after listening to George Steinbrenner and Howard Cosell for a week, I don't care who wins, just as long as they shut up!

Ye ole Polish Prognosticator hit on 33 of 42 picks last week and lost a bet on the Brantley game. This rainy weather fogs up the crystal ball, so I'll have to go on my own this week, and hope for the best. Here goes. . . .

**ELBA VS. ANDALUSIA**  
Elba can beat Andalusia if they play well - we all know that; but the Tigers are an off-and-on type club, and you never know when the real Tigers will show up. Elba has a habit of winning the big ones, and this is a big one, so I'll go with Elba in an upset!

**ELBA 17 - Andalusia 14**

**NEW BROCKTON VS. KINSTON**  
The "county championship" is on the line, along with bragging rights for a whole year. The Gamecocks should win, but it will be closer than most folks think!

**NEW BROCKTON 14 - Kinston 6**

**ZION CHAPEL VS. SAMSON**  
The Rebels are having a rough season, while Samson is hunting for a spot in the playoffs after a big win last week. Zion has a chance, but the home field advantage may be the difference!

**SAMSON 20 - Zion Chapel 16**

**BRANTLEY VS. STRAUGHN**  
The Bulldogs' hopes of a playoff berth got shot down last week by Highland Home and unless they can pick themselves up, another upset could occur. I don't think Brantley will fold, however, and expect them to bounce back!

The NWASI softball league recently held its end-of-season double elimination softball tournament in Daleville. Teams participating were Headquarters No. 1; Headquarters No. 2; Cairns Field, 1st shift; Cairns Field, 2nd shift; Hanchey Field, 1st shift; Hanchey Field, 2nd shift; Lowe Field No. 1; Lowe Field No. 2; AVNDTA and ALMD (military personnel).

Cairns Field 1st shift won first place; Hanchey Field 1st shift - 2nd place; Hanchey

Field 2nd shift - 3rd; and Headquarters No. 2 - 4th.

Kenneth R. Walden was recipient of best player award. Chester Barbaree of Elba also participated.

## AREA CROWN UP FOR GRABS IN ANDALUSIA

All the talking is over! The time has come to tie the shoelaces, pull on the pads and buckle up the chinstraps. It's Elba vs. Andalusia and all the marbles are up for grabs.

When Coach Mack Wood's Elba Tigers journey to Andalusia Friday night, all

eyes and ears will be turned to the game, because both teams know a loss would end all hopes of a trip to the playoffs. If Elba loses, the winner of the Opp-Andalusia game will win the Area. If Andalusia loses, the Bulldogs are out of the picture and either Elba or Opp will wear the crown. It is simple—for the loser there is no tomorrow!

"Andalusia has a real good football team, and we have the utmost respect for them," said Coach Wood in a phone conversation Tuesday. "It is a big game for both teams and it should be quite a battle. I just hope we can play well enough to provide

them with some competition." "On defense," said Wood, "Andalusia is big and strong up front and has some really good linebackers. They run an odd-man front with a rover, and are real aggressive. Andalusia gets after the ball and will hit ya! Over on offense, they are a power team and they'll line up and

do as good as we can on every play. "On offense we will have to use a good variety of plays, mixing up our offense to use both running and passing. We will have to play mistake-free ball! On defense, when you're outsize you just have to play your guts out. If we play hard on every play, we'll

have a fighting chance, but it will take a total team effort from everyone on the squad. Andalusia will be fired up and our boys will give it all they have. It should be a good game." When asked about last week's 21-0 win over Evergreen, Wood stated, "I was proud to go down there and play well against a team

hungry to win. We played pretty good, even though we weren't consistent. Our offense played well, but we fumbled the ball a couple of times that stopped drives. Our defense played well for the most part and did real good when it had to. We showed poise and hung in there, and it was a good win for us."

## Title On The Line In Brockton-Kinston Clash

The New Brockton Gamecocks hope to put the finishing touches on their third consecutive winning

season Friday night when they host the arch-rival Kinston Bulldogs in the season finale for the Game-

cocks. As if the annual grudge match wasn't enough to stir the emotions of both teams, the winner of this

season's game will also win the county championship! New Brockton, under the direction of Coach Leav-

Boutwell, was expected to field possibly its best team ever this season, but the combination of injuries and a tough schedule made the '81 campaign a struggle.

The Gamecocks own a 5-4 record, not up to the standards of past squads, but a win in the season finale will undoubtedly make the season a big success. The "county championship" is a cherished prize for the three schools in the county system, and will give the Gamecocks an added incentive to win, but so will last season's game, which Kinston won by a lopsided 40-7 score!

When you add up all the incentives Brockton has, there can be no doubt the Gamecocks will be fired up. For Kinston, the game means a chance to forget the disappointment of a 1-7 season and point the young program right back in the right direction. Coach Ricky Rainer's Bulldogs were expected to be in a rebuilding year, but no one thought they would stumble through such a disastrous campaign. The Dogs have seen injuries pile up almost weekly, forcing young players to step in, and though their pride and desire is evident, the inexperienced has proven fatal.

On paper, it looks like New Brockton should win easily, but games aren't played on paper, and anything can happen. Kickoff is 7:30 at Gamecock Stadium. See ya there.

## Three Schools Fined By AHSAA

Madison County, W.S. Neal and Sunshine High Schools have been fined and placed on probation by the Alabama High School Athletic Association. Also, Coach Charles Sikes of Lanier has been censured for unsportsmanlike conduct.

The penalties were the results of rules violations, a fan's conduct and a coach's criticism of officiating to the press, according to Herman L. "Bubba" Scott, executive

director of the AHSAA. Details of each case are as follows:

**MADISON COUNTY** of Gurley was fined \$150 and placed on probation for one year as a result of the unsportsmanlike conduct of one of its fans during an altercation on the field October 2 at the Madison County-Spartan game. The fan, a brother of a Madison County football player, came

over the restraining fence, lifted a game official and physically tried to throw him over the restraining fence.

"Since the Association can only address the issue and speak to the community through the school," Scott said, "it was determined that the penalty would be a fine and probation after such an official action against an official." The school was also instructed to repair any damage to the fence.

"The penalty for the unsportsmanlike conduct of a fan was considerably reduced from that normally imposed for such violations," Scott said, "because of the prompt action of the coaches and other representatives of the schools involved during and after the altercation, and the fact that a warrant has been placed against the individual responsible." Any further action by the AHSAA is pending the outcome of the prosecution of the fan in a court of law.

## Gamecocks Roll Past Straughn 22-0

BY RONNY SHIVER

Friday night the New Brockton Gamecocks journeyed to Straughn to take on the Straughn Tigers at their homecoming. Though they had to struggle through cold temperatures and gusty winds, the Gamecocks came through with a 22-0 victory over the Tigers.

New Brockton won the toss and began a drive on their own 35-yard line. On first down Ricky Sipper carried for one yard, and on second and third down Joseph Burrows carried for nine yards for a New Brockton first down. On the next two downs, Anthony Maddox and Sipper gained five yards each for another first. Burrows and Willie Terry got one more and then from 30 yards out Burrows toted the ball into the endzone for Brockton's first TD of the game! The extra point was good and the score was New Brockton 7-Straughn 0.

line that in 12 plays took them 96 yards downfield, with Anthony Maddox completing a 30-yard pass to Joseph Burrows in the endzone for New Brockton's second touchdown of the game. The extra point went wide and the first half ended with New Brockton leading the Straughn Tigers 13-0.

Straughn took the kickoff in the second half with Owens gaining 10 yards on the runback. However, the Tigers couldn't muster a first down and had to punt to New Brockton. On first down Kelley Tindol gained 11 yards for a first, but the Gamecocks couldn't put together enough for another. Each team then exchanged a couple of punts, and on Straughn's fourth down punt, the Gamecocks were again called for roughing the kicker. Straughn once again failed to gain a first, and New Brockton took over on downs on their own 35-yard line.

As the fourth quarter began, Burrows carried the ball on three downs for 12 yards and a first. Sipper and Dunaway gained another, but after a loss of yardage on a third down fumble, the Gamecocks had to punt to the Tigers. Straughn took the ball on their own six-yard line, but on first down the quarterback was sacked in the endzone for a two-point safety, making the score New Brockton 15-Straughn 0.

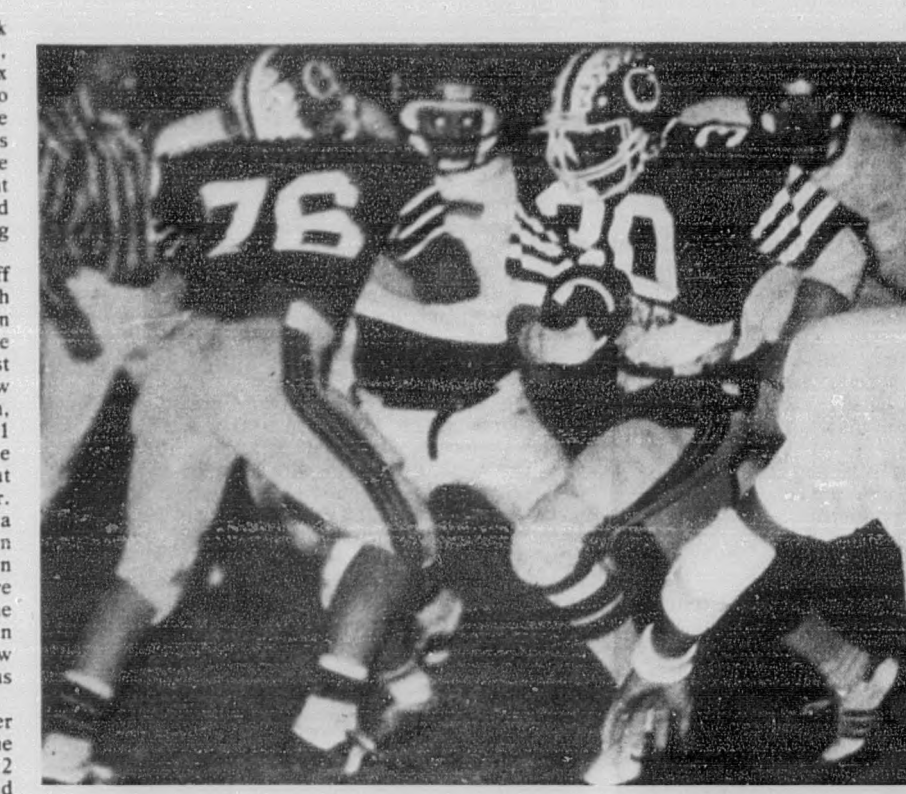

Straughn had to free-kick to New Brockton from their own 20-yard line, and Dunaway gained five yards on the runback. On first down Burrows rushed for seven yards, but on second, New was called for holding. Then on third down, Burrows broke a run up the middle for 24 yards and a Brockton first. The Gamecocks gained two more first downs with Burrows, Sipper, Terry and Dunaway running the ball. Then from five yards out, Burrows dove into the endzone for the final TD of the game. The extra point was good and the New Brockton Gamecocks came away with a victory over the Straughn Tigers, 22-0.

Brockton rolled up 274 yards on offense, while holding Straughn to only 52 yards in total offense.

## ELBA DEFENSE SHINES IN 21-0 SHUTOUT

Elba's Mark Henderson (32) looks for running room in the Tigers 21-0 win over Evergreen.

Tiger fullback Ted Horstead (44) drags an Evergreen defender as he rambles for yardage up the middle.

The Elba Tigers, sparked by the fine play of the Gold Rush defense, clinched a winning season last Friday night by blanking the Evergreen Aggies 21-0 in Evergreen. The win upped Elba's record to 6-3, while the loss dropped Evergreen's to 1-6.

Neither team could muster a first down on its initial possession, with Evergreen winding up with the ball on its five-yard line following a 50-yard punt by Elba's Paul Cox. The Aggies punched it out to the 26, but were stopped by a penalty and had to punt again. Evergreen got the ball right back, however, as Elba fumbled on its first play from the midfield. This time the Aggies offense came to life, and behind the play of quarterback Tracy Hawley drove to a first and goal on the five-yard line. During the drive, Hawley ran for 29 yards and passed for six, thrilling Evergreen's handful of fans.

The Gold Rush defense, now with its back to the wall, rose to the challenge and a big sack on Hawley for a five-yard loss, by Ken Owens and Terry Spicer, forced the Aggies to attempt a 28-yard field goal. Owens deflected the attempt, causing it to fall short, and the Tigers had survived the threat.

Elba's offense seemed sparked by the defensive stand and behind the running of Ted Horstead and Mark Henderson, moved out to two first downs. A 15-yard pass from Mike Amison to Andy Hardwick got the Tigers across midfield, but Elba fumbled on the next play to again stop itself. The Aggies' offense quickly moved to two first downs and got down to the Elba 22, but Ken Owens came up with a quarterback sack for a four-yard loss, and on the next play Charlie Marler pounced on an Aggie fumble to stop another Evergreen march. Two runs by Ted Horstead and an eight-yard scamper by Amison put the Tigers on the 19-yard line. Amison called an option on the next play and rolled out to his left for what looked like a short gain, but the senior quarterback pitched back just as he was hit and Mark Henderson waltzed untouched into the endzone for a touchdown! Dwayne Hooks added the extra point, and with 1:07 left in the half, Elba had the lead at 7-0.

Nothing happened for the remainder of the half, with Elba going in with a 7-0 lead, but the second half started with a bang! The Tigers were late coming back to the field for the third stanza and had to line up to receive the kick without having a chance to huddle, and the Aggies crossed up the Tigers by pulling an onside kick which worked to perfection. The Aggies moved to a fourth down and one at the 39, but the Gold Rush again rose to the challenge and hit an Evergreen back for a one-yard loss to stop the threat.

Elba held the ball for only two plays before losing another fumble, putting Evergreen back in business at the 38-yard line. The Aggies couldn't move, however, and had to punt back to the Tigers. Elba managed only one first down on the ensuing possession and punted back to the Aggies, who started another drive. Evergreen completed passes of 17 and 10 yards to spark a march, which moved to a fourth down and three at the 37. The Elba defense was again called on to stop the Aggies, and indeed it did, as Charlie Marler stopped the Evergreen quarterback for no gain!

The offense seemed to get a much needed lift by the defensive stand and promptly started a 64-yard touchdown drive. Mike Amison, Mark Henderson and Ted Horstead ripped off runs of nine, eight and nine yards to get the drive started, and a 15-yard penalty against Evergreen for a late hit put the Tigers in business on the Aggie 23-yard line. An eight-yard loss on a sack of Amison slowed the charge, but Evergreen jumped offside, giving back five yards, and then Amison and Henderson ran for gains of 11 and seven yards to give Elba a first and goal at the eight-yard line. Ted Horstead bulled for six yards on first down and one play later he crashed over from a yard out for a second Elba touchdown. The p.a.t. sailed wide, but the Tigers were on top 13-0 with only 8:18 left in the game.

Evergreen came out passing following the ensuing kick, only to see Elba's Andy Hardwick intercept an Aggie aerial and return it 26 yards to the Evergreen eight-yard line! Mike Am

## 7-6 Loss Ends Hopes For Area Crown

BY BILLY W. WILLIAMSON

The Brantley Bulldogs' dreams of a state playoff berth vanished into thin air last Friday night when the Dogs dropped a crucial area game to the Highland Home Flying Squadron 7-6 in Brantley.

The loss dropped Brantley's record to 5-5, but more importantly, left the Bulldogs with a 2-2 area record and gave McKenzie the Area 3 title. The win upped Highland Home's slate to 3-5.

Brantley received the opening kick and moved quickly across midfield on a 35-yard pass from Tony Chandler to Mark Hill, but Chandler was hit for a big nine-yard loss three plays later and the Dogs had to punt.

The two rivals swapped punts following their next possessions, with Highland Home winding up with the ball on their own 24-yard line. Two running plays netted only short yardage, but on third down, speedy Lorenzo June got the call and raced 72 yards for a touchdown. Kirk Boyd added the extra point, and with 1:33 left in the opening stanza Highland Home was on top 7-0.

Brantley seemed angered by the Flying Squadron score and took the ensuing kick and marched 75 yards in 11 plays to score a touchdown of their own. Andrew Bennett got the call on 10 straight running plays and ran for a total of 52 yards to move the

## Late Rally Buries Bulldogs 28-0

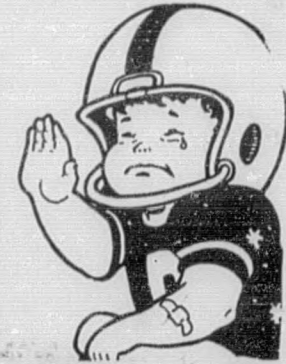

BY GREG BRUNSON

The Kinston Bulldogs saw their season record drop to 1-6 this past Friday night as they fell victim to the Louisville Red Devils. The Bulldogs played three and a half quarters of the best football they have played this year, but late turnovers and the Louisville passing attack ran the final score up to 28-0.

The Red Devils took the opening kickoff and realized their homecoming was going to be a long night as they lost six yards on their first three plays, and were forced to punt. Kinston took over on their own one-yard line after Denorris Hall booted a beautiful 63-yard punt. The Bulldogs then drove for 10 plays to the Louisville 27-yard line before being stopped on fourth down.

The next three possessions ended in punts after only three plays from scrimmage, giving the ball to Kinston on their own 17-yard line. The Bulldogs stopped themselves on the 12th play of this drive as Johnny McCray recovered a fumbled punt-out on the Red Devil 30-yard line.

The Red Devils managed this first down of the game on their next possession as they drove to the Kinston 14-yard line before being stopped on fourth down. The Bulldogs again drove for 10 plays before being forced to punt.

with only seconds remaining in the half, and the first half ended 0-0.

The second half opened with the Bulldogs driving down to the Red Devil's 29-yard line before being held on a fourth and three play. The next three possessions again ended in punts which gave Kinston the ball on their own 34-yard line. This drive was sparked by a beautiful 33-yard pass play from halfback Mark Kelley to Michael Bowers that carried to the six-yard line. However, the Bulldogs fumbled on the next play and the Red Devils had dodged a bullet.

Louisville then drove 95 yards in only six plays for the game's first points. Denorris Hall passed 61 yards to 17-8 Douglas Faircloth who also added the two-point conversion, and with 8:48 to play in the game, the Bulldogs trailed 8-0.

Kinston ran only one play before a fumble resulted in a Thomas Shipman recovery for Louisville on the 20-yard line. Seven plays later, Hall hit Howard Baker for eight yards and the second touchdown of the game. Hall kicked the extra point, making the score 15-0 with 6:42 remaining in the fourth quarter.

After a Bulldog punt, the Red Devils drove 53 yards on six plays to score yet another TD. This one came on a 10-yard run by Joe Lightner with 2:19 remaining in the game. A bad snap kept the p.a.t. from being completed, as Faircloth was sacked attempting to run for

two, making the score 21-0. The Bulldogs again turned the ball over on a fumble and Rusty King recovered for Louisville on the 22-yard line. Four passes later, Hall hit Anthony Warner for 15 yards and a needless touchdown. Hall kicked the final point of the game, making the final score - Louisville 28 - Kinston 0, with only 26 seconds remaining in the ball game.
